## Give your business the edge and boost your team's skills

Our **funded** courses include maths, English, health and wellbeing, customer service, administration, IT/digital, leadership and management.

By improving the career prospects of your employees, you'll also benefit from their improved health, wellbeing and confidence.

## You can get our funded support\* if your employees:

- Are over 19
- Live in Greater Manchester.

\*eligibility criteria applies

## How does it work?

Our Coaches will:

- Establish their learning needs
- Put together a flexible learning plan
- Help improve skills and knowledge, so your employees can progress and do well in their career
- Provide access to our Wellbeing Zone.

## Who is delivering the service?

MAXIMUS Training in partnership with Greater Manchester Combined Authority and Rochdale Training. It is part-funded by the European Social Fund.
